I cannot fight an invisible 5th Plane.

Nothing in the indictment suggest even remotely the existence of a 5th Plane striking the Dark House.
(Are we still talking about 9/11?)

Everybody knows that Ashcroft wrote this indictment with his 20th Hijacker. delieves theory in mind (if he has any excuse)

I don't want to have they are going to brain wash their 12 Boja (aka Terror).

I MUST KNOW WHAT IS ASHCROFT DEMENTIA THEORY.

Death Judge you must force Ashcroft to tick the Box.

20th Hijacker
