ENOUGH OF DUMHAM

INTERNET GAME

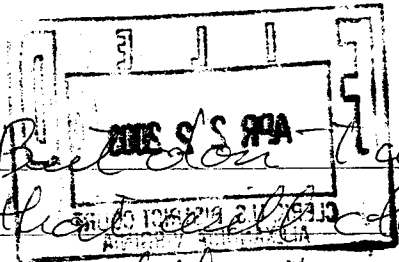

Emergency Motion to strike the Fat Melek Dumham for CyberWar Subversion

Ashcraft was to rely on his Exprosecutor
Nora Benham to delay 9/11 Twin Tower
collapse case.

Nora Benham wrote to his Nanny
(probably Grandnanny) Beehenna
that the Net was in place & working

~~As usual~~ As usual: LIE & Deception 852
(latest attempt Monday 21 April 11pm 30⁰⁰)

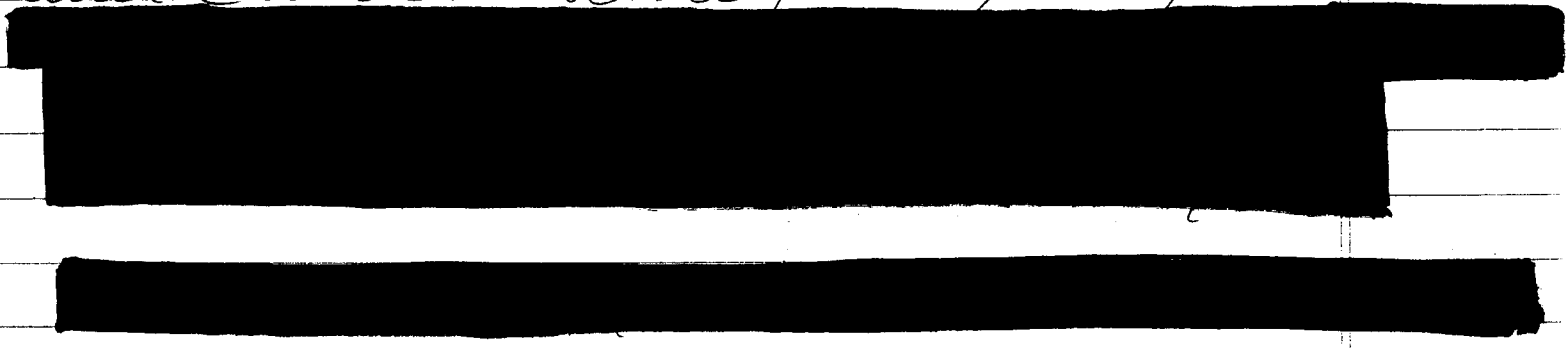

But don't worry Durham is a vicious person
 that will claim that Massacree is a PC deletion
 and that I, Zaccarias Massacree did not
 know how to start the Cybergame.

One day Durham will realize that his
 Cybergame will my case had real
 consequences.

 Cybergame will my case had real
 consequences.

The Fat Meg also forget that I am a Fundamentalist
 and I have no taste for Cyber Jihad

So become no more sweet talk, being
 your Fake kamikaze Yamamoto to
 fix the connection. Maybe Japanese
 technology will work.
