Slave of ALLAH v Slave of Satan
Zacarias Moussawi Bush

EX PERSECUTOR DUMHAM

SENSURE MOUSSAWI NET

Renew Motion to force Fat Megala Benham
to log in all the 5th Plane ~~to~~ Pilot Missing
in Action self created "evidence" from
this Ashcraft persecution.

As Benham is the last live fare
Ashcraft disaster persecution,
he has decided that I, Zacarias
Moussawi must not have access to
the evidence of Ashcraft conspiracy
to kill me (not to forget the 3000
who die because of FBI "negligence")

Don't ~~forget~~ ~~forget~~ Deukhan has the audacity to refuse to load all the evidence of the case on my internet site.

Then Megala forget that I, Zaccarias Massaceni, is in charge of 9/11 (afcourse).

Because you must speak to your slave and ask him for misconduct.

For Megala use to say that I was ready to deny any 9/11 involvement and to want to defect myself. Now Mastermind Brother Mohammed has vindicated my NON 9/11 participation. Deukhan want to hide the proof of his collusion of the with his Master Satanic government.

No doubt that Deukhan will go crazy when I, Zaccarias Massaceni, will leave the United States on a 747-800 1st Class, Non Smoking No Drink. No Women.

In the meantime I want to see 9/11 Net the full one, the one who give the B U Z Z Slave of ALCAH
