THE BLOOD SUCKER

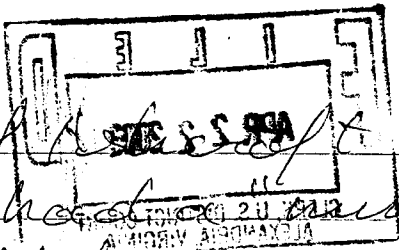

FAKE DEFENSE THEORY

MUST BE EXPOSE

Motion to get access to gay chamber
quaranty theory of Deunham & co.

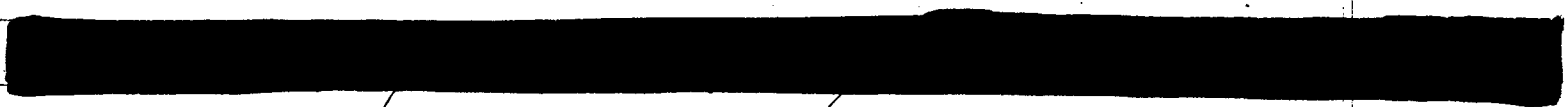

As a true slave of united satan
the Exprosecutor Fat Mcgale
Deunham is doing ^{his} most wicked
effort to send me to the gay chamber
How? By presenting ~~an~~ opening
easy ride to Ashcraft & co.
Indeed Deunham argue to the deleg

of the draft that I, Zaccarias Massadani
 had a minor "role" in 9/11.
 Whereas, I and Mastermind Brahim
 Mohammed can prove that I have
 nothing to do with 9/11.

Already he, the Fat Hegala, has damaged
 my attack on the United States by
 claiming that I was crazy to defend
 myself. Now he, the Fat Hegala, presides
 to the Death Judge argument to get
 access to Ramzi ~~Basal~~ ~~Basal~~ ~~Basal~~
 in line with his gay chamber quarant
 theory of defense.

I must be given a precise brief on
 Dennis gay chamber quarant
 theory so I can point out to his
 mistress Death Judge how the
 craziness of his story and indicate
 why Ramzi's remote interview does
 not give me a fair trial (see upcoming
 motion for reconsideration of access to Ramzi
