Slave of ALLAH, Muzalid Zaccarias Mawwani
Strike Evil Unbeliever Leonie Brinkman
for vicious, wicked deception and
misleading statement and therefore
immediate public correction

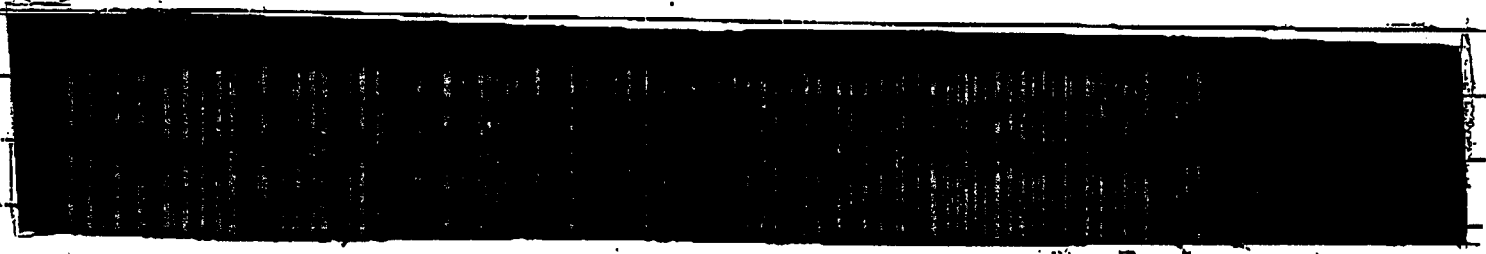

In recent time Leonie has
issue orders where she claim
to "agree with the defendant"

The problem arise on what she
want to agree with Zaccarias Mawwani

She ~~has~~ ^{has} claim that I am skeptic
of the ability to prosecute this case in
open court"

Where did we get my skepticism
I don't know, but let me tell you
that ~~an~~ Ashcraft will try to kill me
by any means necessary.

At the moment we are in Ashcraft best
case, she, we are, is trying to link
the issue of access ~~with~~ with the
issue of access to the theory of the case
(20th Century or 5th plane)

As for access ~~with~~ she knows that
I have an Absolute right to ~~the~~ ^{the} ~~trans~~
whereas for the theory of the case
it seems that I don't have such right
especially if classified information
are discussed at the hearing.

So where is the trick?

First, to have the transcript of the 30 January will not help me much because the United States Satan can re change his theory of the case at will

Second the Liebowitz, Ashcroft and the FBI Magala Newman want me and YOU to believe that on the 30 January classified information where the Hat on the agenda, on the discussion

In Fact LIEBOWITZ IS TRYING TO COLW ME AND THE REST OF THE WORLD BECAUSE ON 30 JAN THERE WAS NO CLASSIFIED INFO DISCUSSED REGARDING [REDACTED] BECAUSE THE FE DS HAVE NO INFOS [REDACTED]

[REDACTED]

SO THEY CANNOT BE ANY CLASSIFIED INFOS IN THE HAND OF ASHCRIFT

(Unless Liebowitz now has decided that [REDACTED] is part of the law firm of U.Satan) I want a ruling on this.

So leave on May 7. I will explain to you a few other vicious tricks of yours

But know one thing that the only thing we agree is that we will always disagree
