ZACARIAS MOUSSAOUI (TU

LICONTED BEAM OF COURSE)

Emergency Nuclear Strike by Slave of ALLAH at vicious woman Death

Judge Leonie Brinkema to stop her from Remoung Bio Se Zaccarias

Moussaoui by using Fake Non Existent Classified Derinformation as an Excuse.

Finally the latest vicious plot of

876

Death Judge Leonie Bruskema come to the surface

Indeed for the first time the United States are demanding my removal as "Base" "The Court may consider revoking his base status" (.us.gov)

thru Bearing in mind that the Fat Megala just filed a Motion also requesting the "court" to remove me, it becomes clear why Leonie Bruskema was playing the coming Judge.

First, they, Leonie, Fat Megala and Aircraft falsely claim that I asked to get access to classified information. This is a complete lie because [REDACTED] there is not until now any classified information because [REDACTED]

And Even if for the sake of the argument (only) there was classified info, I don't want or need to see them because

Here are lie. Moreover there is
a process, who until this name
was working by which classified
information were "purge" of their
secret content and turn into a
form that was accessible for the
PROSE.

To day I, Zaccarias Moresmore
clearly declare that I do not want
to be present in any so called
classified hearing.

I reject "Prima Face", at face value
any substitution. To the extent
there is no circumstance under which
I will accept the substitution of
 knowledge of
my Non Participation in 9/11 is
my passport to Afghanistan.

So the Court should take clear
notice that I will not participate
in the hearing of May the 7 if so
called classified info were disc

Moreover there is no need for me
to be present as I have ~~never~~ rece

copy of the United States proposed
 substitution and I made a hand copy.
 After due and prolonged consideration
 I, Zacarias Muezzin came to
 the conclusion that these documents
 "proposed substitution" could no
 ever be the base of any discussion
 the main reason being that these
 proposed substitution have been

[REDACTED]

Thus it will be suicidal for
 any sound minded to take the word
 of the

[REDACTED]

Cicero Brinkman, must be reminded
 that it is the Pro se who is in charge of
 his defense not the Standby Next of Kin

As I have continuously voice my Non
 participation in 9/11. any attempt by
 Cicero Brinkman to remove me will
 be done to insure my conviction.

[REDACTED]

my Nov 9/11 participation

In fact, the world must know that Leonie is playing one of Ashcroft's card to kill me by trying to remove me from my Pro Se self defense so that Megala can give Ashcroft an easy ride.

Everybody understood that I have a right to get access

So Leonie's Compassionate Concern is a smoke screen to remove me from Pro Se Self Defense.

So As My Commander in Chief Donald Bin Laden, teach US

So there is no need for me to speak to you on May 7.

Finally, it entirely into the discretion to ~~the~~ the Court to change her mind regarding

regarding my access [redacted]

In the event that Leonie overturn her decision to give limited access [redacted] I will have no choice to proceed with my Defense as per

As the United States have exercised their right to make appeal, it is normal that if Leonie decide to clearly violate the United States by denying me the right to witness T Zaccarias Massadani will also make appeal to the Supreme Court (after Trial of course)

To conclude, I will repeat that Leonie Brunhema United States Death Judge is trying to fail the world by plotting to remove ^{me} from my Pro Se Self Defense by pretending that I should have access to classified information. There is no such classified info [redacted]

[redacted] moreover I don't ask for classified info, I don't need classified info. [redacted]
