FAKE CLASSIFIED TAVFOS

TO DISMISS TRUE PROSE

Emergency Strike by Slave of ALLAH
Zaccarias in SUPPORT OF UNITED SATAN
OPPOSITION TO COURT ORDER for defendant
to attend CIPA HEARING

Better be safe than sorry, so I
must repeat that I, Zaccarias
Moussouri will not take part in
any "classified hearing"

Even the Court of Appeal did not order
that I, Zaccarias Moussouri should

take part in Classified hearing

The Court of Appeal merely orders that "the Defendant... are to be given an opportunity to respond to any proposed substitution"

This opportunity has been fulfilled by me Zacarias Haussaceni reversing the so call substitution and making a hand copy of them. Moreover after due consideration I, Zacarias Haussaceni, freely decided to reject the all process as a Farce.

As I explain in other pleading these so call substitutions are based on [REDACTED] seminars. [REDACTED] is not part of the case forms of the United States.

Thus it is a complete fraud to talk about substitution because Ashcroft has nothing on his desk. everything belong to [REDACTED]

No body should be ask to entrust his life to [REDACTED], let alone when you are an Active Member of the Most Lethal Terrorist Organization in the World (aka Al Qaeda, actually we call it UBL of

However, if I agree with the United States on the fact that I have NO business in classified hearing let me put it clear that their idea that Leonie had to choose between giving me access to the hearing of "Classified" deinformation ~~or she should revoke my status as Pro Se is certainly the fruit of Aircraft Dementia and must be Dismissed~~

Leonie has been "directed to determine whether the proposed substitution, if approved, will provide the defendant with substantially the same ability to make his defense as would" the disclosure ordered by the district court" (a/k/a Leonie). / order court of App

This, because I have been given already the opportunity to respond to your Fake substitution Leonie has ONLY to decide on whether or not the substitution are good enough for her. Not as you, United States, want people to believe on whether she should give access to so call classified ~~Pro Se~~ or revoke my Pro Se status

I have not right to classified and will never have such right.

The good thing is that at the moment there is no classified info on [redacted] because Ashcraft never spoke to the Brother.

THE FEDS, THE JUDGE AND THE STANBY ARE FOULING THE WORLD WITH THEIR CLASSIFIED SUMMARIES [redacted] CONSIDER

HAS NO PLACE IN MORGAN'S TABLE [redacted] IS NOT PART OF "JUSTICE DEPT"

By the way, the Circuit of Appeal comes in time when they consider because to determine whether the proposed substitute IF ANY, "will provide the defendant with substantially the same ability to make his defense" as [redacted] trial appears

So, because it should not be too difficult for you to make your mind, IF ANY, and there is because there is no substitution because Ashcraft has nothing in his dirty Ho

3/3

To conclude I will say that the United States position opposition must be granted in part and deny in part.

Granted for my exclusion of classified hearing.

Deny for the propose revealing of the Pro Se status of Zacarias Moussawi. The proposed US stay is also that

Essentially unless the court explain compelling reasons for me to be present at the proposed non classified hearing or (see US motion). I, Zacarias Moussawi will prefer in his interest of Pro Se status not to attend this 7 May hearing.

Indeed, it seems clear that you, Ashcroft and the Hegala become more and more desperate to find any vicious dirty trick to remove me from my Pro Se

As time, money and energy will be saved by me not being there. The court should grant me without prejudice.

Moreover, I have made my complete
rejection of your false substitution
to many time now so oral arguments
will add nothing to the Deaf dialog
