TRADEMARK NOT FOR

FAT MEGALO

Emergency Strike to protect Slave of ALLAH
Zaccarias Moussaoui Trademark against
Fat Counterfeiter Dunham

[REDACTED]

As My Honorable Commander in Chief
Usama Bin Laden says, [REDACTED]

[REDACTED]

Indeed, despite having kicked out the fat
Megala Dunham from my Halal Bro Se Defena
901

his Blood Sucker still insist to sign his
incarceration with my Trademark:

Zacarias Maersaeni
by Stanley Counsel

It is the most disgusting for me to have even an
association on paper with these perverts American

Moreover, this is highly misleading (as usual.)
Today everything is perception, so this incarcera-
tion prosecutor want people to believe that he is
acting on Zacarias Maersaeni behalf and interest.

Of course if you take the opinion that Zacarias
Maersaeni want to go to Paradise (and he does).
You can say that Fat Megala Nunkam is doing
his best to send him to meet his Lord.
[REDACTED] it will be Paradise.

In the meantime because you must tell to your crowd
Fat Megala that he can't anymore mislead, ~~misrep~~
misrepresent, Zacarias Maersaeni by Stanley
Counsel. As a suggestion he can use Blood Sucker
of our US Fat Megala. But nothing that suggest
any relation between a Noah's, (Unpure) Unbeliever
and a Pure believer slave of ALLAH.
