FAT CONFESSION BY

MEGALODUMHAM TO HIS

CO-PROSECUTOR ASHCROFT

Emergency Stakes by Slave of ALLAH

Muhammad Zacarias Mawarri against

Secret concession on [redacted] Vital Testimony

by Fat Under Cover Megalo Dunham to

Chief U.S. Ashcroft, and to have the 20th

Death Guarantee Proposed Stipulation of Dunham taken out of

[redacted] the Record and the brief to Appeal Court

Fat Megalo Dunham told me a long

time ago that Defense Counsel can't

accept or make Stipulation without or

unless the Accused approved them.

UNCLASSIFIED REDACTED

indeed the legal Research, show
without any doubt or possible deviation
that the Defendant whether by Counsel
or Pro Se must endorse the Stipulation
so it be valid.

the Supreme Court of the United States
have consistently held that among
exclusive right of the Defendant is
the right to accept or reject stipulation

That is why on March 18, 2003 Fat
Hegala Numbam secretly declared his
"intentions to consider -- substitute for his
testimony [REDACTED] to his long standing
federal co-prosecutor Karan.

Knowing that I will vigorously oppose
this secret concession Numbam makes
agreement that any letter by him to the
prosecutor should be also sent to me.

Fat Hegala Concession are a set
[REDACTED] stipulations that will
"become a substitute" for [REDACTED]
Testimony.

Numbam know very well that even

UNCLASSIFIED REDACTED

if I was dismiss. as base (they are still trying hard), he will have to get my approval for these Death Guaranty stipulations (over my Dead body.)

As I, Zacarias Moussawi have challenge the entire idea that [REDACTED] [REDACTED] Summary could be used instead of [REDACTED] Truthful Live Testimony. Deushon is secretly undermining my Life Defense.

Ashcraft want to see Justice Somewhere [REDACTED] Truth Nothing [REDACTED]

thus Ashcraft came with his garbage idea of "A Stipulation of testimony" which is an agreement among the parties that if called, a witness [REDACTED] would have given certain testimony. You must Accept as True the Fact that the witness would have given that testimony.

There will be Never an agreement with Zacarias Moussawi, as I don't

UNCLASSIFIED REDACTED

agree or take [redacted] American
word or unbeliever word

a. to Deceive everybody Fat Megala
Dunham publicly Oppose the substitute
accepted by Ashcraft and Decide
secretly to bring his own set of
[redacted] stipulation that will replace
[redacted]

Not a bad American Subterfuge.
Now all Ashcraft have to do is to
accept these [redacted] Death guarantee
stipulation by Dunham and
Zaccarias Mourasani is in the coffin

Indeed for Ashcraft, the Dunham
Secret [redacted] stipulation are their
the life line in his dead case
For Ashcraft, to agree on anything
is better than to have [redacted]

[redacted] explain
in detail how Zaccarias Mourasani
did NOT Take part in 9/11

So far the time being Ashcraft will
pretend that Dunham substitution
are unacceptable, then when [redacted]

The case will go back to the Court of Appeal. A draft in a change of Heart in the interest of National Security and to save the Constitution will Accept Denham's [REDACTED] Death Guaranty Stipulation for 2 M.

That American Justice, is a Deception.

So because you have to order your fat Magalo to immediately ~~leave~~, even to go back his [REDACTED] Death Guaranties Stipulation and they must not be included to the Appeal Brief Denham has no authority to enter into an Agreement or to propose one on Zaarias' Pleas or behalf. To this date I did not see their [REDACTED] Stipulation Fat Magalo does even bother to declare to me how I am going to be killed by Stipulation.

The Record will show that I reject both the Stipulation of Testimony of the United States and the Fat Pervert [REDACTED] Death Guarantie Stipulations

UNRECORDED

Fat Megala Perverse activities are more and more hostile and undermining my life Defense.
