CLERK, U.S. DISTRICT COURT
ALEXANDRIA, VIRGINIA

In The Name of ALLAH

enforced by United Satans of America

11 May 03

10 Rajab, 1423

OLGSSA

Slave of ALLAH

Slave of Satan

Zaccarias Haussouini

Master of Satan

THE FAT BLOOD SUCKER

MUST BE SUBSTITUE

NOW!

Emergency Strike by Slave of ALLAH
 Majahid Zaccarias Haussouini to counter
 Avidity Insider Dealing by Fat Megala
 Dunham for his Chief Pay Persecution
 Master Aircraft Cashier United Satans Chief User
 and to have Fat Megala out of 9/11 Circus Trial

The Only Proposed Substitution
 Zaccarias Haussouini want is to have
 Fat Megala Dunham OUT of and
 FREEMAN IN

his "Fat" Explorer is doing his best to
screw me from the inside.

Indeed in a Secret ^{Tel.} conversation and
letter to his good buddy friend Kenneth
Kraus, "Fat Megala" confirms my ^(his) "overture"
to consider declassified substitute for
the testimony [redacted]

This so call "overture" by Fat Newman
is unbelievable for even the most ignorant
lawyer.

Fat Megala want to substitute a live burial
certificates [redacted] with [redacted] Death Certificate
Report from George.

Instead of [redacted] in court to explain
[redacted] and
how little he interacted with Zaccaria's Hoerster
Fat Megala want Me to accept [redacted] Death
Stipulation (which for the moment Newman
refuse even to show to me.)

Fat Megala started this secret substitution
talk knowing full well that No Stipulation
can be force on a Defendant even by Counsel.

Dunham Dirty Game is to create
confusion in an otherwise unvaluable
position, namely [REDACTED]
[REDACTED] and I have Absolute
right of Access to this Exculpatory
witness -

This Pervert Megala was presented as
Bogus Opposer to the Government
of Satan so his false argument will
be defeated in the Court of Appeal and
I will lose [REDACTED]

Fat Megala is doing Ashcroft's dirty job
to try to raise this Circuit Court
forward even if there is near certainty
that the Supreme Court of Satan will
overturn a Death verdict if [REDACTED]

were substitute to me (with New access)

For Fat Megala and Ashcroft ²¹⁴ must
be concerned so Public opinion will
be satisfied (with Political Survival for Ash)

Despite a Death Judge "order"
preventing Fat Megala to patter in
the Press, Dunham make the most

indetermining comment to
we " Wished the Government had
offered the substitution before taking
the appeal " [REDACTED]

Then the Fat Mezala do his best to give
the impression that access [REDACTED] is
only a tactical play, so call Gray Host
when a week later Fat Pervez Durrain
declares that they have " Grave Doubt "
about accepting substitute for [REDACTED]
Testimony.

Therefore Fat Mezala neither publicly or
in pleading challenge or even address
the a crucial question on the Admissi-
of those substitution. Does any lawyer
will accept [REDACTED] to defend an Al Qaeda

Meyahid (Alwa Zaccarias Mairasani) (Name you
must order Durrain to file to approve [REDACTED] summaries & substitution to things

Finally, the Government of Satan is trying
to use Fat Mezala UNSTABLE MIND
on Substitution and his Fat Mezala taste
for [REDACTED] interviews to prove
that [REDACTED] 'access is not an issue of Fair
trial it is only an attempt to lawyer out.

Ukraine, as the God of Satan pleading
on substitution demonstrate the
activities of your Fat crown directly
and severely undermine, prejudice
my Pro Se defence of my live Islamic
life.

Not only this Fat Blood Sucker is
of no assistance to me but in fact
his secret dealing with the present
are without any exaggeration lethal
for Zaccarias Houshariani

Fat Mejala intentionally retains from
his secret letter to ~~you~~ and to you
as well (as you are as well not
included (mcc))

Not only Fat Neushan defy your
No Press order but he does this
to bring chaos in my clear and
long standing defense to bring
~~to testify~~

Fat Mejala unstable mind could
give ground to the Court of Appeal
that the case is being turned into a Gray

MAR. 12. 2003 1:58AM

Therefore Fat Megala Frank W. Dumbawi Jr
must be personally bar to have any
more involvement in this 911 case.

I anticipate that you will refer
my only trusted Muslim caregiver Brother
Harun Charles Freeman, I strike
his name to at least get this fat, smelly
Megala out of Zaccarias Hassan's care

The Court of Satan can order that
another public offender lawyer take
the place of the unstable Megala Dumbawi

This ruling is to be made before the oral
hearing of the Court of Appeal.

The license you already worn him
against public interests, if you
let him get free again he will know
that you are afraid, that you have no
courage. License you have to show him
who is the Man in Charge.

[Redacted] there is no man in charge
let alone a woman [Redacted]
