He you Daughter of Evil No more
Under Seal Hearing.

The Lynch Mob want a Public execution
like in the Court of Appal.

Indeed, Zacarias Moussawi want
a Deal in the World Top Confrontation

One part Public, fighting with the Pen
One part Secret, fighting with "knife"

As Our Prophet Mohammed (Peace
be Upon Him) teach us:

(English approximation)

So become the World must hear
the Word of the Slave of ALLAH.
Zacarias Moussawi on why

: a Video Game Deposition is NO Fair Trial

NO

NO Fair Trial

So Daughters of Evil don't
chicken out because the Son
of Evil done a Deal in the
Court of Appal.

I don't need Secret weapon
to tell Ashraf Conspiracy.

I have a Pen to Rise the Word
of ALLAH and that more than
enough.

Don't forget that THE PEN IS
MIGHTIER THAN THE SWORD.

Indeed ALLAH created the Pen
first.

This Time it is Show Time

9/11 War To Crusader
moment of Destiny.

No Prisoner No Mercy
No Surrender.
Life or Death.
Victory or Victory.

And don't forget The One
Above is the One in Charge.

You can deceive yourself, your
people but you cannot deceive
the One Above.

Know that the Pen is lifted and
Pages are done, Destiny is already
written.

So, LET'S ROLL to Paradise
(ALLAH willing).

Slave of ALLAH,
أَبُو خَالِدٍ الرَّسِّيُّ

As Pig can't fly, so Pig can't be
part of a Dual Goat seat.
(a/k/a Fat Megala must not smell in
the Public hearing part -).
