Indeed, the DJ Leonie is such
a busy body to CANCEL the Venue
for the World Tyrann Conspiracy
that she is refusing to give any
Order in the 20th Hijacker World
Top Concert.

But Leonie forget that ~~she~~ I need
the World Top Concert 
 to play my Tune.

Indeed how can we have a WTC
Reversal without the World Top
Concert Master Notes.

Even a World Tenor Conspirator
like Zacarias Moussaoui need
Notes to perform a Clean WTC
Reversal.

So Leonie We know that you
are NO DIVA but you can still
play your bit.

So you must give the Orders for
the Requiem of a Suicide Pilot
Missing in Action so We can
bury the World Tyrann Concerts.
