SHOE BOMBER LETTER

1013

Emergency SURGICAL STRIKE by the  
Suicide Pilot Missing in Action (a/k/47 ZM)  
against Ashcroft New Delerious Paranoid theory  
of the 20<sup>th</sup> SUBLIMINAL HIJACKER CODE  
in the Letter to his Brother the SHOE BOMBER

Ashcroft the Wicked Top Crusader & is  
Now receiving Satanic Revelation.

Indeed Ashcroft writes to the Death Judge  
Leonie that after receiving some "Light"  
from the FBI he will not give ZM to the Shoe Bomber  
Letter

The Chief Liair officer Ashcroft  
is now subject to a Secret Dementia.

According to Ashcroft News Hysteria  
there is some Subliminal Message  
in the Letter, I, ZM send to my  
Dear Brother the SHOE BOMBER

Of course as the Chief Liair know that  
the Death Judge know that he is lying  
to Ashcroft take a Mystical Tone  
" In the Light of the Ending of the Coding "

Because you know that it is a lot of  
RUBBISH - There is no code or  
subliminal messages.

810  
Because you must clinically strike  
Ashcroft to forward the letter or  
file a Psy Report on his Dementia

No Need to for a Forensic examination  
of the Dirty Nasty Ashcroft to know that  
Ashcroft is a GENETIC LIAR.
