

20th WHAT
DOWN
THE
USA !!!

Clarification On Ground Zero

One WTC Down, One More to Go
VICTORY! VICTORY!!!

After More than 2 years of "Burning"
the First WTC Collapse and the
20th HITACKER^{theory} went up in the Air
NOW! The Suicide Pilot is Targetting
the Second WTC for Final Operation

LETHAL STRIKE

The SHE DJ in a Miserable Damage Limitation Exercises Try to Salvage some American "Proud" by pretending that they can have a Fair Lynch without the 20th Hijacker theory and 9/11 WTC Hollywood Story

By Now the Al Qaeda Bros, Zacarias Moussaoui know that "Everything" is Possible in America especially in the World Top Circus.

So As the Suicide Pilot (aka ZM) embarks for the Second World Top Crazy Adventure He, the One and Only, the 20th One. must know WHAT ARE THE CHARGES.

Maybe We Can Have Some GUILTY / NOT GUILTY Drama. Of Course the SHE DJ rejected it last time, but as she say "Memory Fade"

Anyway the DREAM must Go On and the 20th HITACKER will FLY JFK to HTH 1st Class, No Smoking, No WOMAN
The GLOBAL STAR of Terror
