

UNITED STATES COURT OF APPEALS  
FOR THE FOURTH CIRCUIT

---

No. 03-4792  
(CR-01-455)

---

UNITED STATES OF AMERICA,

Plaintiff - Appellant,

versus

ZACARIAS MOUSSAOUI,

Defendant - Appellee.

---

**ORDER**

---

On November 26, 2003, this court entered an order warning Appellee against further filing of pleadings that fail to include a discernible request for relief, seek relief that is improper, or seek relief that has previously been denied by this court. Appellee received this order no later than December 1, 2003, when it was transmitted by facsimile to the facility in which he is detained.

Since the entry of that order and its receipt by Appellee, Appellee has filed four additional pleadings, one or more of which violates the terms of the November 26 order. The court therefore imposes the following sanction: (1) all pleadings filed by Appellee after December 1, 2003 are hereby struck from the docket; and (2) Appellee is prohibited from submitting further pleadings to this court except through counsel of record.

Entered at the direction of Judge Wilkins, with the concurrences of Judge Williams  
and Judge Gregory.
