ZACARIAS MOUSSAOUI)	

**DEFENDANT'S TWENTY-FOURTH SUPPLEMENTAL
CIPA SECTION FIVE DESIGNATION**

Pursuant to Section 5 of the Classified Information Procedures Act ("CIPA"), Defendant Zacarias Moussaoui, through counsel, hereby supplements his previous filings and designates the following additional classified materials, received on January 18, 2006, that the defense may want to use at the penalty phase of this case.¹ A copy of the additional documents is attached and tabbed to correspond with the below list.² Documents are specifically identified by Bates number, if available.

¹ To the extent any of the classified documents produced in discovery may contain *Jencks* material, we have not designated them here because we do not know who the Government's witnesses will be. Defense counsel reserve the right to designate additional material once the Government's witness list is produced or additional discovery is received.

² References in the list to "Caption" information means the information appearing in the caption, if any, on the first page of the document, if any, including the date, title, subject line, name of originating agency, and authors/recipients (including the identifying information about each such author/recipient if appearing in the document.)
