**Motion for Reconsideration**

The United States of America, by and through the United States Attorney for the Eastern District of Virginia, moves the Court to reconsider that portion of its Order of April 7, 2006 requiring the United States to make available to the intervenors certain material provided to counsel for the defense under one or more protective orders. The grounds for this Motion are set forth in the Memorandum filed herewith.

Accordingly, the Court should reconsider its April 7, 2006 Order, and relieve the United States of any obligation to provide access to the Intervenors to any materials made available to

counsel for Mr. Moussaoui, without prejudice to their right to pursue discovery through the mechanisms available to them in the litigation they are pursuing in the Southern District of New York.

Dated: Alexandria, Virginia  
April 21, 2006

Respectfully submitted.

Chuck Rosenberg  
United States Attorney
