ORDER

The parties have filed their responses to the Order of April 25, 2006, concerning their positions as to unsealing the transcripts of the non-classified hearings and bench conferences conducted during the trial. The defendant had no objections. In the Government's Request to Maintain a Portion of the Record Under Seal ("Response") (Docket #1828), it only objected to three pages being disclosed. Because the pleading reveals the very subject matter to be kept confidential, the government has also requested that its Response be kept under seal.

Finding good cause for maintaining the government's Response and pages 3701 through 3703 of the April 13, 2006, transcript under seal, it is hereby

ORDERED that, with the exception of page 3701, line 2, through page 3703, line 4, of the April 13, 2006, transcript the transcripts of all previously sealed hearings and bench conferences not dealing with classified materials be and are UNSEALED, and it is further

ORDERED that Docket #1828 be maintained under seal.

The Clerk is directed to forward copies of this Order to counsel of record.

Entered this 2<sup>nd</sup> day of May, 2006.
