Mike,

To answer your voice mail of today, you have all of the info that was on Moussaoui's person or was offered up by him at the time of his arrest. He denied consent to search anything else. We're awaiting the FISA search warrant before we dig in to his other items, but there is bound to be a lot there.

Since Al-Attas gave us consent to search his stuff, we obviously have more on him. Attached is what went to CTC (since they obviously didn't see the big opening EO). These names and addresses came from Al-Attas' stuff. CTC began running this info late last week.

The material below was pulled from two of Al-Attas' address books. I sent hard copies to CTC so they can have them translated since there many notations are in Arabic.

For your information, Moussaoui made a call from jail on 08/24/2001 to a local number. We've identified the subscriber and will [REDACTED] as appropriate. The two talked for 48 minutes and we're going to get the recording of their conversation later this week.

The call went to (612) 339-3885, which comes back to an Ahmed Mohamoud, 1630 6th Street NE, Apt D1107, Minneapolis. This is an apartment in a high rise housing project which is predominantly Somali.
