U.S. v. MOUSSARAF

29

Learn Brennan is presiding or heard in
this trial despite overwhelming reason
to ask the FBI about the validity of
the prosecution. Because she knows that
I will most probably be convicted in
front of a jury due to her my belief and
she knows that no court of appeal or
supreme court will overturn a judgment
on the so called 20th century

This is a premeditated murder by "legal" means

To ALLAH we belong To ALLAH we return
