My dear brother,

I am extremely sorry for what I've done. I tried my best to be the other way and I find it very hard. I loved Vamsi too much and he was the only hope for me. He always spoke about how to deal with tough situations but never I thought I will be left alone without him.

I am sorry that I am hurting you but please respect my decisions too. I didn't do this to hurt ~~any~~ anyone. I love Vamsi too much and the pain in accentuating I am not able to deal with it. If there exists any form after this life I will be with him if not atleast it will relieve me from this deep pain.

These are the few things you need to do if you can.

- Take care of yourself, granj and Mam

- Donot smoke ~~too much~~ [atleast reduce it]

Donot give K. Rao everything for Niles's (any) know atleast what I am

after the bank releases my  
finances pay off my loans. There  
is enough money in my name.  
I trust you good luck for your  
future and I know one day you'll  
have a happy home with your  
wife and kids. I will be looking  
at you from above.

Good bye Shella. Take care.  
I want to be with my  
loving hubby Nameri. He means  
a lot to me and I know I  
am being selfish. But try to  
understand I can't live without  
him.

Good bye.

With lots of love,  
yours Sis.  
Prasanna

- Please don't fight with Dad too much.  
help him if you can. But please  
take good care of yourself for me.
